Centuries of Legend & Power

Perched high atop the misty cliffs of Raven's Hollow, Blackthorn Castle has stood as a guardian of the land for over 800 years. Built in 1247, this medieval stronghold has witnessed centuries of royal feuds, legendary battles, and whispered secrets that still linger within its stone walls.

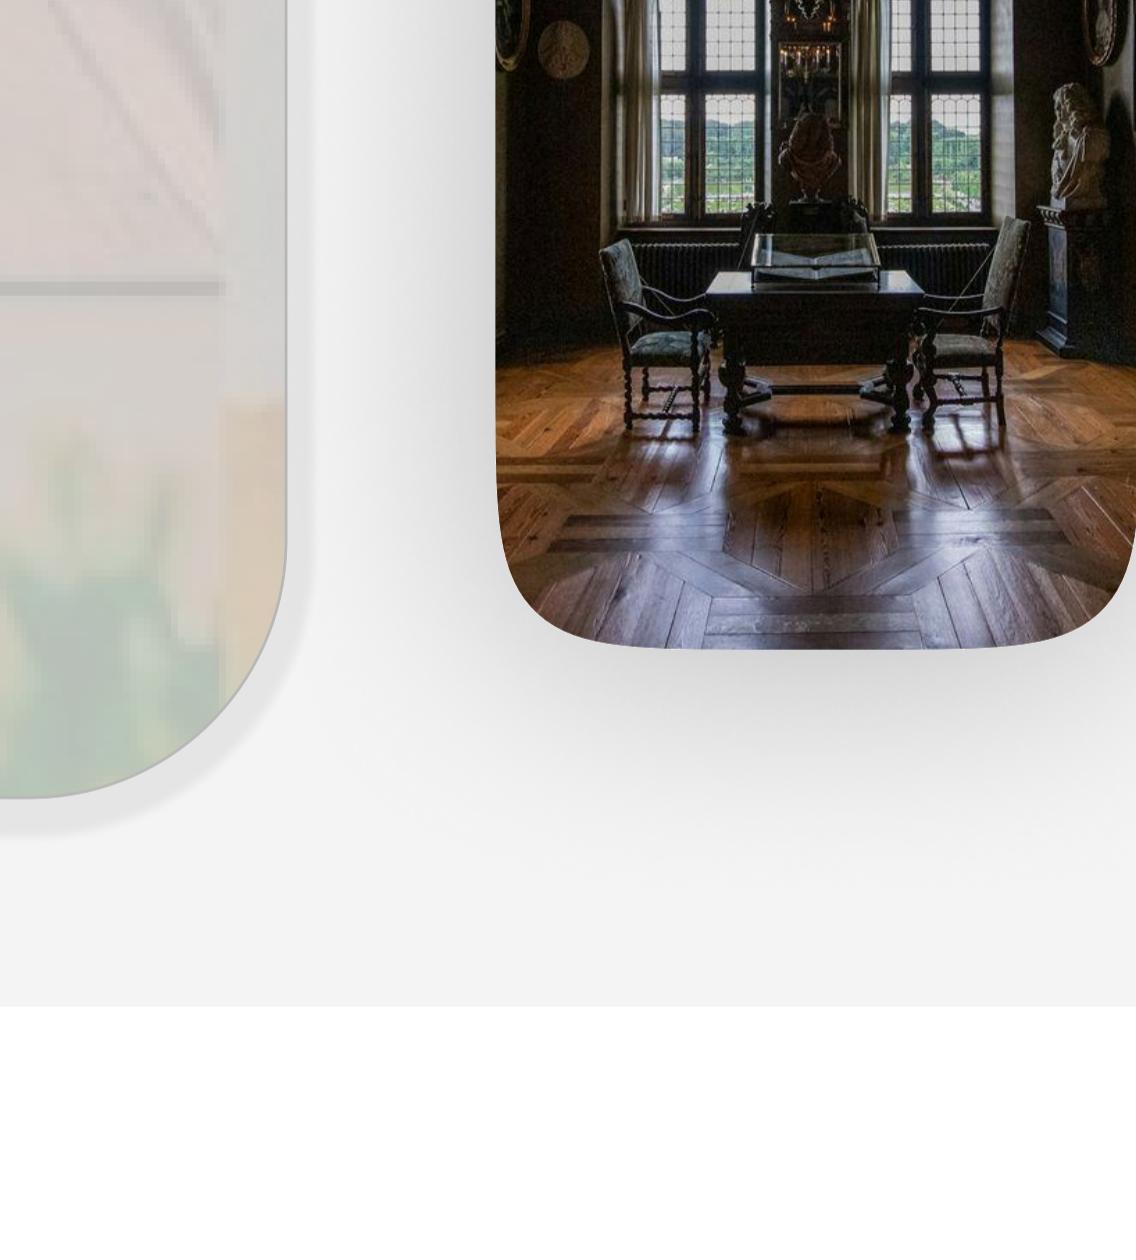

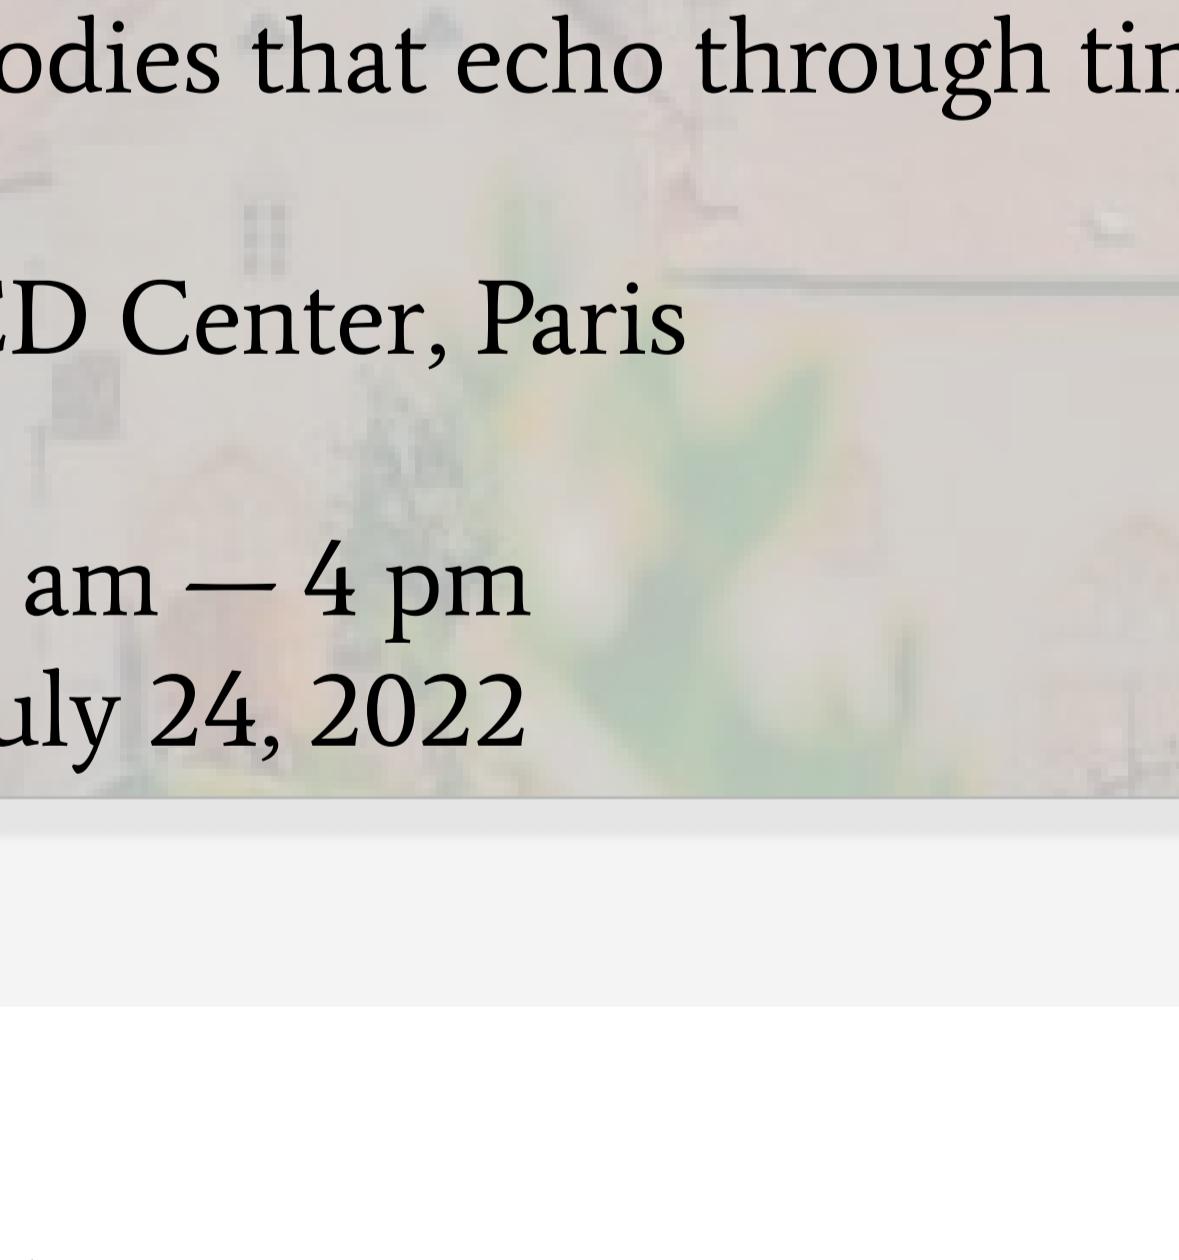

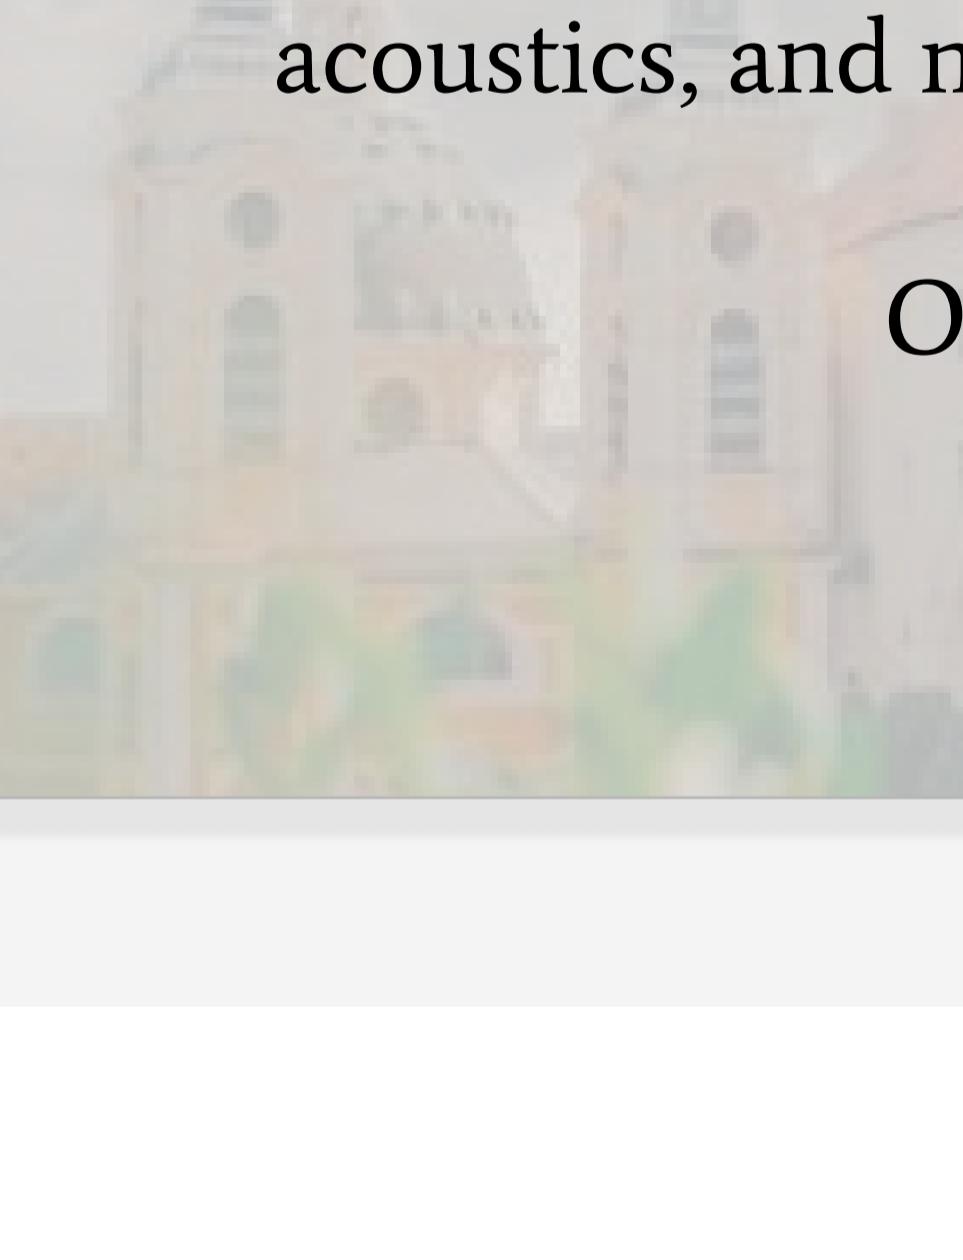

1247 – The Castle is Born

Construction of Blackthorn Castle begins under the command of Lord Edric Blackthorn, establishing a stronghold that will shape the region's history for centuries.

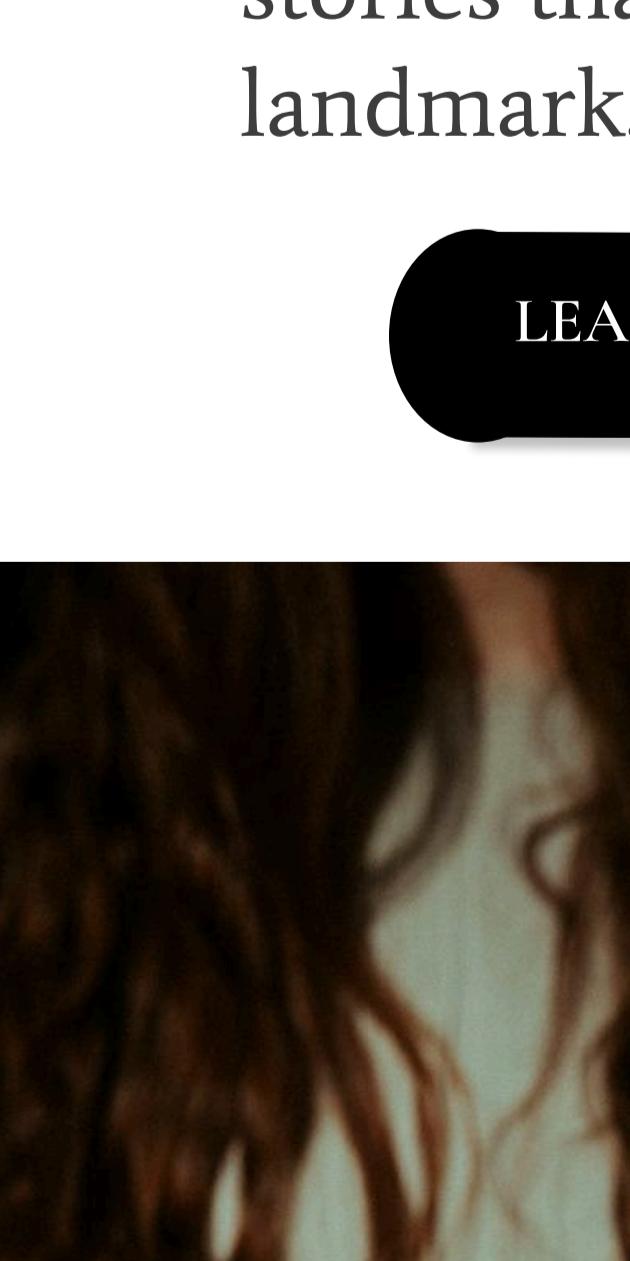

1892 – The Grand Restoration

After decades of abandonment, Blackthorn Castle is restored, reviving its former grandeur and opening its gates to the world once again.

From medieval festivals and grand banquets to haunted night tours and immersive escape adventures, Blackthorn Castle hosts events that bring the past to life. Whether you're seeking thrilling mysteries, historical reenactments, or a magical holiday celebration, there's something for every visitor.
